e-book The Phenomena of Materialisation

In spiritualism, paranormal literature and some religions, materialization (or manifestation) is the creation or appearance of matter from unknown sources. The existence of materialization has not been confirmed by laboratory experiments. Numerous cases of fraudulent materialization demonstrations by mediums have been exposed.

The ectoplasmic-based physical medium often takes many years to develop their mediumship fully. The second, and more modern method of producing physical phenomena is by way of an energy-based procedure. This form of physical phenomena was largely pioneered by the Spirit Team working with the Scole Experimental Group in the 1990's.
