Picture This A Kids Guide

Parents need to know that Picture This! is a 2008 movie in which an unpopular teen must outwit her overly-protective father in order to make it to a party thrown by a popular boy who is starting to like her. The teens are inseparable from their video phones and sometimes border on voyeurism with their exploitation of peers' embarrassing moments.

Picture This! Movie Review

Thanks for the article Courtney, I was asked to teach basic photography to kids from 6 – 10 years of age. To be honest, I was clueless about how to go about it. After reading this article, I get a fair idea on how to go about it as it is quite challenging to teach photography to very young kids.
