Playing And Reality Dw Winnicott

What are the origins of creativity and how can we develop it - whether within ourselves or in others? Not only does Playing and Reality address these questions, it also tackles many more that surround the fundamental issue of the individual self and its relationship with the outside world. In this landmark book of twentieth-century psychology, Winnicott shows the reader how, through the attentive nurturing of creativity from the earliest years, every individual has the opportunity to enjoy a ...

Amazon.com: Playing and Reality (Routledge Classics ...

Winnicott teaches here that we in part, create reality and in part, discover it. Certain expectations we have come from our playful and interpersonal nature and we find ways to make the world conform to those expectations and desires.

Playing and Reality: D. W. Winnicott: 9781138236325 ...

Playing and Reality was his last book; it is a collection of essays, very readable, not too academic, that offer an overview of his theories regarding human development and behavior. The focus Donald Woods Winnicott was one of the most influential personalities in the British psychoanalytical field, developing several theories that are still referred to even today.

D.W.WINNICOTT PLAYING AND REALITY PDF

Winnicott is best known for his ideas on the true self and false self, the "good enough" parent, and borrowed from his second wife, Clare Winnicott, arguably his chief professional collaborator, the notion of the transitional object. He wrote several books, including Playing and Reality, and over 200 papers.

Donald Winnicott - Wikipedia

"It is in playing and only in playing that the individual child or adult is able to be creative and to use the whole personality, and it is only in being creative that the individual discovers the self." — Donald Woods Winnicott, Playing and Reality
