"And as long as we have a politics of race in America, we will have a politics of Civil War memory." In the South, Confederate memory often has been worked out through memorial and monument. A 2016 inventory by the Southern Poverty Law Center found more than 1,300 Confederate monuments and memorials across the former CSA. Most were erected not immediately after the war, but much later: between 1890-1920, as Jim Crow laws spread across the South, and during the Civil Rights era of 1954-1968.

War, Memory, and the Politics of Humor: Allen Douglas ...
Book Description: Memory is as central to modern politics as politics is central to modern memory. We are so accustomed to living in a forest of monuments, to having the past represented to us through museums, historic sites, and public sculpture, that we easily lose sight of the recent origins and diverse meanings of these uniquely modern phenomena.
