However, the power that a group exerts over others can be expressed in various ways. Sometimes, a group exerts power in an ambiguous manner and does not express a clear dominance over a subordinate group or groups. An example of this is the dominance of men in movies. The prominent role of men is apparent, but it is not expressly stated or ...

What Are Power Relations and Who Is Affected by Them?
MEN'S POWER WITH OTHER MEN. In recent years, we have come to understand that relations between men and women are governed by a sexual politics that exists outside individual men's and women's needs and choices. It has taken us much longer to recognize that there is a systematic sexual politics of male-male relationships as well.
