Red Water is seductive, in a way that this book sucks you in and you won't want it to end, because I didn't. Red Water is deliciously thought out, and written at a pace that isn't hard to get hooked, or easy to set down. This book is endearing, playful, and shows the power of choice, even if you don't agree with every choice.

### Red Water by Kristen Mae - Goodreads

Redwater is a life-threatening disease of cattle caused by a parasite called Babesia divergens and the parasite is transmitted by ticks, Animal Health Ireland (AHI) says. High risk periods for Redwater, AHI says, are late spring/early summer and autumn.
