8 Things to Do Immediately When Your Husband Leaves You  
When your husband leaves you, you're going to be an emotional mess. Push those feelings aside and protect yourself in case a divorce is filed. By Divorced Moms Updated: July 22, 2019  
Categories: Coping with Divorce, Divorce Recovery, Relationships and Dating

## **8 Things to Do Immediately When Your Husband Leaves You**

Let your husband direct his own process and come up with the ideas he thinks will be most helpful, so he feels he is taking responsibility for himself, rather than being controlled (even though this isn't your intention) or mothered. Be a listening and a sympathetic ear as much as possible. Questions, rather than statements, are the best ...

## **What to Do If Your Husband is Watching Porn - iMom**

Your husband's interests are likely part of what attracted you to him in the first place, so resist resenting the time and energy he spends on those things once you're married.
