Roman and Native in North Britain: Richmond, I. A.: Amazon ...
Roman-Africans were the ancient Northwest African populations of Roman North Africa that had a Romanized culture and used to speak their own variety of Latin as a result. They existed mostly from the Roman conquest in the antiquity until their language gradually faded out after the Arab conquest of North Africa in the Early Middle Ages. Roman Africans lived in all the coastal cities of contemporary Tunisia, Western Libya and Eastern Algeria. This area became known under Arab rule as Ifriqiya, an

Roman and native in north Britain (Book, 1961) [WorldCat.org]
Later tribes. Livy records that, in 495 BC, the number of tribes was increased to 21, and the official number of tribes was set at 35 in 242 BC: . Urban tribes. Attributed by Livy to the sixth Roman king, Servius Tullius, these tribes were named for districts of the city and were the largest and had the least political power. In the later Republic, poorer people living in the city of Rome ...

List of Roman tribes - Wikipedia
Although the native Britons south of Hadrian's Wall mostly kept their land, they were subject to the Roman governors, whilst the Brittonic-Pictish Britons north of the wall remained fully independent and unconquered. The Roman Empire retained control of "Britannia" until its departure about AD 410, although some parts of Britain had already effectively shrugged off Roman rule decades earlier.

Aldborough Roman Site, Yorkshire Urban Centre Once the capital of a Romanised tribe of native Britons, visitors today can still see two beautiful Roman mosaics as well as the remains of the town wall and a museum exploring the history of the town. Ambleside Roman Fort, Cumbria Roman Fort

Roman Sites and Roman Remains in Britain
Rome crushes America. They've got horses, which despite popular belief aren't native to North America. Settlers brought them. By the time the real colonials were crossing over horses and guns were common and cheap enough to use as trade goods, but they're much more valuable to the Romans.

Native American Tribes find the Roman Army Landing on the ...
The contact between Germanic tribes and Romans can be divided into four aspects as defined by archaeologist Are Kolberg: the military aspect, the trade aspect, the gift aspect and the plunder aspect. All these aspects give probable answers as to how and why Roman objects got into Germanic hands, and why a vast amount of Roman objects still can be found as far north as Norway.

Germanic-Roman contacts - Wikipedia
Pre-Columbian trans-oceanic contact theories speculate about possible visits to or interactions with the Americas, the indigenous peoples of the Americas, or both, by people from Africa, Asia, Europe, or Oceania at a time prior to Christopher Columbus' first voyage to the Caribbean in 1492 (i.e. during any part of the so-called pre-Columbian era). Such contact is accepted as having occurred in ...

The areani or arcani were a force of the Roman Empire, based in Roman Britain during the later part of the Roman occupation of the island. They had played some part in the campaign of Constans in Britain in 343; later they helped to instigate the Great Conspiracy in 367-368. Due to their participation in the Conspiracy, Count Theodosius disbanded them. The term areani is a hapax legomenon ...

Areani - Wikipedia
The Roman reaction to the native population would probably be the same as the original American settlers' reactions, and would probably not deviate too far from standard Roman procedure, depending on how powerful these pagans happened to be, and again, how much support they could get from Rome.

A Roman Colony in North America? - TV Tropes Forum
The ancient Greeks used the word Libya (derived from the name of a tribe on the Gulf of Sidra) to describe the land north of the Sahara, the territory whose native peoples were subjects of Carthage, and also as a name for the whole continent.The Romans applied the name Africa (of Phoenician origin) to their first province in the northern part of Tunisia, as well as to the entire area north of ...
