Saab 9000 Buyers Guide

When it was first introduced (1986), motoring journals perceived the SAAB 9000 to be an accomplished executive car with spacious accommodation and admirable build quality. Buyers were sufficiently impressed to countenance long waiting lists for the new car but this was entirely understandable, as SAAB philosophy is based on iterative refinement of existing designs, rather than copying other makers who see fit to introduce a new model every 4-5 years or so. Indeed, in 1987, one commentator ...
