Creating AND Importing Multi-Sheet Excel Workbooks the Easy Way with SAS

Archive of Older Papers and Presentations made by SAS staff

In their paper on debugging, Lora Delwiche and Susan Slaughter say that good debuggers make good programmers. Let's take that one step further to say that good analysts and problem-solvers make good programmers. Just because a SAS® program is free of errors, warnings, notes, and bugs does not guarantee that the program is doing what it is

SUGI 28: Beyond Debugging: Program Validation - Sas Institute

This paper gives an overview of how some common forms of logistic regression models can be implemented using PROC LOGISTIC as well as important changes and enhancements to the procedure in Releases 6.07 and above of the SAS® System, as well as new features available in Version 8.

SAS SUGI proceedings: Formats - Lex Jansen

Before there was SAS Global Forum, there was SUGI (SAS Users Group International). While today we take for granted that conference papers are published and made available online in-an-instant, those early conferences had only printed proceedings, typed on typewriters, bound into books and made available only weeks after the event.

Datavis.ca - Papers

SAS program code is an important feature in SAS conference papers. A code snippet in a PDF-style paper can help to illustrate your points, but you cannot effectively share entire programs or code libraries within this format. Code that is locked up in a PDF document is difficult for a reader to lift and reuse.
