Saved By Cake

Saved by Cake is how Marian Keyes pulled herself from depression to somewhere a bit better. She's the first to admit that she isn't "cured" per say but in a better place than she was before she discovered that baking was a way of concentrating her mind and making her focus on what was in front of her and it helped.

Saved by Cake gives an extremely honest account of Marian Keyes' recent battle with depression, and how baking has helped her. A complete novice in the kitchen, Marian decided to bake a cake for a friend and that was it - she realized that baking was what she needed to do in order to get her through each day. And so she baked, and she wrote her recipes down, and little by little the depression started to lift, along with her sponges....
