How to Deal With Discipline Problems in the Classroom

Teachers concerned with classroom management typically need help with two issues: preventing discipline problems and dealing with current

Get Free Solving Discipline And Classroom

discipline problems.

Researchers have established two systems to help promote an orderly learning environment: positive behavior support, and social and emotional learning.

Classroom management module

The first day of school, you walk into your classroom and see three to four long rows

of desks. This may be a classic classroom seating arrangement, but it's the worst kind to have for ESL classes. ESL activities center on interactions between pairs and groups of students. If possible, move the desks to form a circle or semicircle.

7 Classroom Management Challenges and How to Overcome Them

Get Free Solving Discipline And Classroom

There are three major parts to classroom management: content management, conduct management and contract (covenant) management.

Discipline problems often occur due to lack of planning, using debasing forms of discipline -- such as humiliation and belittling -- or from using fear-based methods of discipline.
