Crisis analysis of South Sudan | ACAPS

De Vries and Schomerus (2017:333-340) explain that the collapse of the 2015 Agreement on the Resolution of the Conflict in the Republic of South Sudan (ARCSS) signed by the South Sudanese government, the international community and members of the opposition was a result of a lack of political goodwill by the government and the opposition, both of whom had more interest in the amount of power they would retain than in implementing the agreement (De Vries and Schomerus 2017:335).

South Sudan conflict from 2013 to 2018 - ACCORD

Conflict in South Sudan and the Challenges Ahead Congressional Research Service Summary South Sudan, which separated from Sudan in 2011 after almost 40 years of civil war, was drawn into a devastating new conflict in late 2013, when a political dispute that overlapped with preexisting ethnic and political fault lines turned violent.

Conflict in South Sudan and the Challenges Ahead

The South Sudanese Civil War (15 December 2013 - 22 February 2020) was a conflict in South Sudan between forces of the government and opposition forces. In December 2013, President Kiir accused his former deputy Riek Machar and ten others of attempting a coup d'état. Machar denied trying to start a coup and fled to lead the SPLM - in opposition (SPLM-IO).

South Sudanese Civil War - Wikipedia

The protracted conflict in Sudan reflects the long standing economic disparities, political exclusion and social and cultural deprivation in the distribution of political and economic power between the centre and the peripheries.

Sudan: Conflict Analysis and Options for Systemic Conflict ...

Southern leaders and members of the Sudan Defense Force cited oppression of the North as reason for growing tensions between the two regions. This led to the formation of the separatist Anyanya rebel army, who sought regional autonomy. The First Sudanese Civil War was a 16 year conflict between the Anyanya and the Sudan People's Armed Forces.

Politics of South Sudan - Wikipedia

South Sudan will soon enter the rainy season, which will make cantoning combatants even more challenging as travel becomes harder. The issue of internal boundaries also remains unsettled. At independence in 2011, South Sudan had 10 states.

Briefing | What's behind South Sudan's delayed peace deal

Sudan's North-South conflict owes its genesis to the colonial past. Like many territorial demarcations in the continent, Sudan's present borderlines were defined by the colonial powers at the turn of the century. As a political entity, then, Sudan-like many African countries - is a fairly recent creation.

Sudan: The North-South Conflict in Historical Perspective

19 June 2019: On the International Day for the Elimination of Sexual Violence in Conflict, ACLED data confirm that sexual violence remains a serious threat around the world — both inside and outside of war-time

contexts. Over the past year, ACLED has recorded an overall increase in reported sexual violence events,* and across regions political militias and state forces are the primary ...

South Sudan marks 5 years of vicious civil war - ABC News

South Sudan opened a new chapter in its fragile emergence from civil war Saturday as rival leaders formed a coalition government that many observers prayed would last this time around.

South Sudan's rivals form unity government meant to end ...

South Sudan. The civil war that has been tearing South Sudan apart since December 2013 is causing widespread destruction, death and displacement. 1.47 million people are internally displaced and another 2.2 million are refugees in neighbouring countries. A collapsing economy, reduced crop production and dependence on imports seriously undermine people's ability to secure sufficient nutritious food all year round, putting millions of lives at risk.

South Sudan | World Food Programme

Since the split, Sudan and South Sudan's oil production has declined because of continued domestic political instability and conflict between the two countries. The unified Sudan began producing oil in 1999, and as a result, the country tripled its per capita income within a decade. 1.

Country Analysis Brief: Sudan and South Sudan

The Sudanese Revolution of 2018-19, which toppled the government of long-time ruler Omar al-Bashir, dramatically changed the political and social landscape of Sudan. A renewed and vigorous interest in politics opened up new conversations around civil rights, and sparked demands for peace, justice and democracy in everyday life.
