Steve Jobs His Own Words

The book ‚I Steve - in his own words, is a reminder just how enthusiastic one man could be about the products that he knew others would want to own and use to enrich their lives. It is a book to dip in to, but there is probably a saying or soundbite that relates to something in your life or business.

I, Steve: Steve Jobs In His Own Words (In Their Own Words ...

Well, the title of the book is misleading when it says that it is ‚Steve Jobs in his Own Words‘. The book is not an autobiography, but is a compilation of his outlook on technology, success, health, etc. Given that it is not a conventional biography, the book did not engage me in its entirety. Steve Jobs although, never fails to motivate.

Steve Jobs - Wikipedia

In Steve Jobs' words, it's all about connecting the dots and you can connect the dots only by looking backward and see what all reasons and causes have together contributed to your success. If Steve Jobs had not left college, he wouldn't have entered the calligraphy class and so, personal computers might not have the beautiful typography they do.
