Wholesaling real estate is when a real estate wholesaler puts a distressed home under contract with the intent to assign that contract to another buyer. The wholesaler doesn't plan on fixing up or selling the property. Instead, they market the home to potential buyers for a higher price than they have the property under contract for.

A real estate wholesale contract is a legal document between a real estate wholesaler and a seller, essentially giving the investor the right to buy the property. As a wholesaler, you are essentially setting up the game for others to play. Your job as the middleman is to locate a potential deal, secure the rights (much how a real estate agent ...

Understanding The Wholesale Real Estate Contract ...

The first step of wholesaling real estate is to find an investment property for sale. Not just any investment property for sale in the real estate market will do for a wholesale investor. The right investment properties will be priced below market value or have what's known in the real estate investing world as "motivated sellers."
