### The atlas of human migration (Book, 2007) [WorldCat.org]

4.0 out of 5 stars Atlas of Human Migration. Reviewed in the United States on January 12, 2011. Verified Purchase. It was very useful for me since I had a paper on European migration in the first millenium CE. I got interested and read the other migrations. They were easy to read. It is not a tome for scholars only.

### Amazon.com: Customer reviews: Atlas of Human Migration

As climate change and extreme weather events increasingly threaten traditional landscapes and livelihoods of entire communities the need to study its impact on human migration and population displacement has never been greater. The Atlas of Environmental Migration is the first illustrated publication mapping this complex phenomenon.
