The Black Sun The Alchemy

The Black Sun is an extraordinary examination of the alchemical stage known as the "nigredo"..the blackening or mortification, so often experienced as depression, terror, or madness. I was especially transfixed at the way in which Dr. Marlan expresses the paradoxical nature of these experiences in that the darkness itself contains a "shine" or luminescence, that is the light of nature, not that of heaven.

Marlan's book The Black Sun: The Alchemy and Art of Darkness explores darkness as a metaphor for negative psychological experiences, such as despair and depression. As a rule, Marlan maintains, Western psychology treats such "dark" experiences as purely negative, i.e. as experiences to be avoided or, at best, "gotten through," rather than experienced and potentially valued on their own terms.
