The Color Purple Section 1 Summary and Analysis | GradeSaver

The Color Purple has been described as an allegorical novel, somewhat similar to a fairy tale. In fairy tales, frogs turn into handsome princes when they are kissed by the heroine, who is usually represented as white and beautiful. Walker, however, reverses the traditional semiotics of the white fairy tale narrative:

Natural elements » The Color Purple Study Guide from ...

In The Color Purple, as in her other writings, Walker focuses on the theme of double repression of black women in the American experience. Walker contends that black women suffer from discrimination by the white community, and from a second repression from black males, who impose the double standard of white society on women.
