Today, you can find both antique and modern versions of the coveted Copeland Spode China from antique dealers, shops, and, if you're lucky, at the occasional flea market. History of Copeland Spode China Josiah Spode apprenticed as a potter in the mid-1700s. By 1754, he went to work for William Banks in Stoke-on-Trent, in Staffordshire, England.

Copeland Spode British Bone China - The Spruce Crafts

Copeland was well known for her collections of American furniture and Chinese export porcelain. An initial plan for formal gardens at Mount Cuba was drawn up by Thomas Warren Sears when the house was built, but it was not completed. In 1951, Marian Cruger Coffin designed an eighteenth century-style garden.

Pamela Cunningham Copeland - Wikipedia

When assessing the age and value of a Copeland Spode china piece, it is helpful to divide the company's history into four distinct periods of ownership, beginning with the start of the Spode company's business until 1833. At this point, Spode craftspeople did not always mark their pieces, but typically did so in red paint.

How Do You Date Copeland Spode China Using Pattern Numbers?
