Wolfe
Acid Test is a nonfiction book by Tom Wolfe that was published in 1968. The book is remembered today as an early - and arguably the most popular - example of the growing literary style called New Journalism. Wolfe presents an as-if-firsthand account of the experiences of Ken Kesey and his band of Merry Pranksters, who traveled across the

Wolfe, Paperback ...

The Electric Kool-Aid Acid Test is best if you blow through the first fifty pages and take your leisure with the rest. There's equal information in the introduction as in the meat of the story, but less of the fun, and a little more cruelty to the real people behind Wolfe's "new journalism" report.
