The Evolution of International Society: A Comparative ...

Evolution of international society began with the birth of the League of Nations after the First World War. The league became the first platform where the member states could debate over the international problems. But soon after the Great Depression of 1930s, the League became the victim of nationalism and state - centrim.

New Introduction By Barry Buzan And Richard Little 2nd Edition By Matthew Soberg Shufesky
Paperback

Cox traces the evolution of the realist international relations theory from the political theory advanced by Machiavelli and espoused by the diplomacy of the renaissance Italian city-states. The realist theory is contrasted with the normative theory as propagated by Christian church that dominated the medieval society.
