open market. They compete with other market makers by posting the required bid and ask price and size quotes for every stock they make a market in. Market makers get order flow information and will trade in the open market to fill the order for a profit.

### **Market Makers - Level 2 Day Trading Strategies**

While Top Glove Corp Bhd has yet to resolve its labour issue with the US Customs and Border Protection (CBP), the US Department of Labour (DOL) has now put Malaysian-made rubber gloves on the list of products that use child or forced labour. This raises the question as to whether Malaysian glove makers are losing the sizeable US export market as a result.

### **Are Malaysian glove makers losing the US market over ...**

The Market Maker's Edge. osh Lukeman was (book published 2000) an institutional market maker who
