## **The Ruptures Of American Capital**

The Ruptures of American Capital examines two key social formations—women of color feminism and racialized immigrant women's culture—in order to argue that race and gender are contradictions within the history of U.S. capital that should be understood not as monolithic but as marked by its crises.

## **"Reviews of "Race and Capitalism" and "The Ruptures of ...**

The recognition of Capital of Culture arose with the mission of promoting inter-American integration from a cultural point of view. Spreading the traditions of all the peoples of the American continent, as well as their common cultural heritage, is a great way to promote respect and diversity in the region.
