We live in a society of very selfish people. A society that is so focused on their rights being infringed upon that they lose sight of the lives being lost so much so that they have to convince...

### **We live in a selfish society | Letters to the Editor ...**

In a world like today's, without being selfish and taking care of ourselves, we can't stand anywhere for ourselves. In a society that deems selflessness as the ultimate form of kindness, we often allow our personal well-being to suffer in order to put others needs before our own, but what we need to realize is that it's necessary to be selfish and take care of ourselves first.

### **Selfishness And Selflessness: This World Needs The Human ...**

The selfishness philosophy, then, is not just about the corrosive influence of thinking the flourishing of other kinds of humans is a danger to our wellbeing to our souls, but to our very society. The more we allow equal access and opportunity to others, the more we all prosper. Humanity's success is literally built on our interconnectedness.

### **The Philosophy Of Selfishness Is Destroying America | Pop ...**

If we can learn to get past this tendency to only care about our own feelings and learn to prioritize others above the self, we can remedy our negative traits at their root and begin to work on being better people, which would contribute to the betterment of society as a whole.

### **Selfishness Is The Downfall Of Our Society**

While this isn't good news for a society, there is a silver lining. It is exactly when society is most selfish that Christ's selfless love shines brightest. Christians have a real opportunity to stand out. Our selfless savior lived a life marked with sacrifice. By following his example, we can live in a radically different way than the world around us. The time is ripe to make a real difference. It's time to start standing out.
