The Victory Lab Chapter Summary

The Victory Lab follows the maverick operatives and academics now calling the shots in some of the most cutting-edge war rooms, in the process transforming the highest-stakes industry in the country.

The Victory Lab: The Secret Science of Winning Campaigns

In The Victory Lab, Issenberg charts the use of scientific methods in the practice of electioneering in US politics. What's fascinating about his account is that up until very recently there was very little science behind how elections were conducted, and there's been a noticeable disconnect between political science and the electioneers.

Download Free The Victory Lab Chapter Summary

The Victory Lab follows the academics and maverick operatives rocking the war room and re-engineering a high-stakes industry previously run on little more than gut instinct and outdated assumptions. Armed with research from behavioural psychology and randomized experiments that treat voters as unwitting guinea pigs, the smartest campaigns now believe they know who you will vote for even before you do.

Mansions. The face of Big Brother, the leader of the Party and a heavily mustached and ruggedly handsome man of about 45, appears on giant, colorful posters everywhere in Airstrip One, Oceania.

1984 Book 1, Chapter 1 | Shmoop

Axel Heyst, born of titled Swedish parents and raised in England, accepts his philosopher father's concept that life is essentially evil and that participation in it can only increase the evil and involve a man in trouble. The elder Heyst has taught his son that one's only condensation to life should be to watch it from a detached distance, never to partake in its action.
