Programming a Toshiba remote control requires access to the remote control codes table found in the owner's manual or user guide for the Toshiba device. Although many Toshiba remote controls include a "search" feature that automatically links the device to its proper code, the feature does not work with all television brands.

How Do I Program a Toshiba Remote Control?
We own a Toshiba MW20FM1 TV. I recently ordered a new Toshiba remote but it does not work at all. I have tried everything from changing new batteries to other new batteries but it does not work. The previous Toshiba remote started to not work on the mute and volume buttons which is why I orderd a new one.
