### Visionary Architecture Blueprints Of The Modern ...

Visionary architecture is the name given to architecture which exists only on paper or which has visionary qualities. While the term 'visionary' suggests the idea of an idealistic, impractical or Utopian notion, it also depicts a mental picture produced by the imagination. These architectural drawings on paper allow insight of the unusual perception of the worlds that are impossible to visit everyday, except through the visual dramatization of the designed. imaginative environment. There are als
