A meerkat family is on a round-the-world vacation trip, and kids who open this book are challenged to locate those roaming animals in a series of large, colorful, detail-packed street scenes. The meerkats' travels take them to Moscow's Red Square and New York's Times Square.

Where's the Meerkat? by Paul Moran & Steve Wiltshire ...

I have bought this as a present for a child but I do think her mum and dad will probably have fun helping her find the Meerkats. The book is colourful and I think good for all ages except the very young. I was fortunate to buy a set of three during the Black Friday sales but needed another one to make sure everyone had their own copy. The price ...
