The next day it was delivered. We like the Whirlpool and the control panel is much the same as the older one that we had to replace after 10 years of heavy use. One challenge was that in the darkened kitchen we couldn't see the light switch for the microwave - but an easy fix with a cabinet bumper stuck over the switch.

Rated 4 out of 5 by BruceV70 from Good basic microwave Bought this at a good price as an open box at Best Buy to replace another Whirlpool microwave that died. One good thing was that all the supports lined up so I didn't have to drill any new holes or replace any brackets. It has the basic features I need including the soften/melt and the 30 second timer add button.
