### Women Family And Community In

The woman performs the role of wife, partner, organizer, administrator, director, re-creator, disburser, economist, mother, disciplinarian, teacher, health officer, artist and queen in the family at the same time. Apart from it, woman plays a key role in the socio-economic development of the society.

### Role of Women in the Family and Society

The role of women in community development can be crucial to the health of a society. According to some sociologists, women make many of the decisions that determine a household's participation in the community, including healthcare, educational, and cultural decisions. In parts of the world where women's rights are still developing, the role of women in the development of a community can be the key to reducing gender inequality, providing for the needs of women and families, and ending ...

### What Is the Role of Women in Community Development?

The Ministry of Women, Family and Community Development, abbreviated KPWKM, is a ministry of the Government of Malaysia responsible for social welfare: children, women, family, community, children, older people, destitute, homeless, disaster victim, disabled. The ministry determines the policies and direction to achieve the goals of gender equality, family development and a caring society in line with Malaysia's commitment towards the United Nations' Convention on the Elimination of All Forms of
