Research 2017 Yamaha FZ-09 prices and values at NADAguides. Average Retail Value — An average retail unit should be clean without obvious defects. All rubber and cables should be in good condition. The paint should match and have a good finish.

### 2017 Yamaha FZ-09 Prices and Values - NADAguides

The FZ-09 was designed basically from scratch, from the ground up, save for a few things like the blinkers and grips. The 847cc triple features tons of ingenuity, like uneven-length intake funnels to help broaden the torque curve and injectors bolted directly to the cylinder head to fire exactly where needed to improve throttle feel and keep the engine more compact.
